Policy No. 1014

Approval: County Council

Effective Date: April 11, 2007

Supersedes Policy No: New

O

Policy Statement:

The Councillors of Mountain View County have been elected to provide effective governance and leadership for the community.

As a sign of their commitment to this Code of Ethics and Conduct, this Policy has been adopted by Council and the Summary Statement has been signed by each Councillor individually. It will be used to guide the behaviour of Councillors and provide a mechanism of accountability on issues of good governance.

L

Purpose:

Councillors of Mountain View County recognise the importance of maintaining the highest levels of integrity and ethical behaviour.

I

Principles:

1. The Code of Ethics and Conduct will be reviewed annually by Council at the Organizational Meeting to ensure it continues to remain relevant.
2. This policy will be used to guide the behaviour of Councillors and provide a mechanism of accountability on issues of good governance.
3. Councillors agree to sign the Summary Statement on the Code of Ethics and Conduct for Councillors as provided in Appendix B for display in the Council Chamber and for publication.

C

1. Definitions

- 1.1. Conflict of Interest means a situation that occurs when a Council or Council committee is performing a function to which the Common Law imposes a duty that Councillors have an open mind and are free of perception of bias. An example of such a situation occurs when Council is deciding on a land use redesignation of a parcel, which redesignation is supported by some land owners and opposed by others. If a Councillor does not believe he or she is free of bias there is a conflict of interest.

Y

P

- 1.2. Electoral Advertisement means an advertisement, handbill pamphlet or notice that contains electoral matter, but does not include an advertisement in a newspaper announcing the holding of a meeting.
- 1.3. Pecuniary Interest means that situation as defined and regulated by the Municipal Government Act.

O

2. Code of Ethics for Councillors

- 2.1. In providing for the good governance of its community, the Council of Mountain View County has adopted the following ethics to apply to all Councillors to ensure that they act honestly, in good faith and in the best interest of Mountain View County as a whole:

L

- 2.1.1. Councillors agree to respect the personal views of other Councillors and the decisions of Council;
- 2.1.2. Councillors agree that they may publicly express their own opinions on Council matters but not so as to undermine the standing of Council in the community;
- 2.1.3. The Councillor appointed as Reeve agrees to always represent the opinion or position of Council when speaking publicly, except where statements are identified as solely representing his/her Division;

I

- 2.1.4. Councillors agree that they will incur expenditures in a responsible manner;
- 2.1.5. Councillors agree to avoid situations where pecuniary interest or conflict of interest would apply;
- 2.1.6. Councillors agree to act with integrity and respect when interacting with Council, staff and members of the public;
- 2.1.7. Councillors agree to demonstrate fairness in all dealings and conduct and be open with and accountable to the community at all times, and

C

- 2.1.8. Councillors agree to conduct themselves in a manner that they would be prepared to acknowledge to other Councillors and members of the Mountain View community.

3. Application of the Code of Ethics for Councillors

Y

- 3.1. Respect for Other Councillors' Personal Views
 - 3.1.1. Informed decision making and ultimately good governance is derived from healthy debate through the exchange of views by Councillors in the appropriate forum – the Council Chamber as the seat of government.

P

3.1.2. Whilst Councillors will sometimes disagree with the views of their colleagues, good decision making will be enhanced if those views can be heard and considered.

3.1.3. All Councillors are given an opportunity to respond to the views of others through the Chair; these responses should be made in a well spirited and responsible manner so as to promote healthy debate and ultimately lead to good decision making.

3.1.4. All Councillors should feel confident to be able to express their views in the Council chamber without unnecessary interruption.

O

3.2. Respect for Council Decisions

3.2.1. Council decisions result from a majority of Councillors voting in a particular way. Not all decisions are unanimous and Council recognises that individual Councillors are entitled to their own opinions.

3.2.2. Unless subsequently revoked or amended, a decision of Council is legally binding and must therefore be implemented.

L

3.2.3. Without compromising the rights of individual Councillors to maintain opposition to a Council decision those Councillors must both accept and respect the decision made by the majority of their fellow Councillors through the democratic voting process.

3.2.4. Whilst it is acceptable for an individual Councillor to publicly state that they did not vote in line with the majority of their Council colleagues, this must always be done in a manner that is respectful of the Council's decision.

I

3.3. Public Comment

3.3.1. Whilst Councillors are entitled to publicly express their own opinions on Council matters, this should be done with open acknowledgement of and respect for any Council or committee decision that does not support a Councillor's view point.

3.3.2. Individual Councillors, and the Reeve where statements are identified as solely representing his/her Division, may publicly disagree with a decision of Council or a committee but shall refrain from making any statements likely to damage the public perception of Council or the committee.

C

3.4. Reeve

3.4.1. The Reeve is the official spokesperson for Council. Any comment made by the Reeve will be perceived by the community to represent the views or position of Council on a particular matter.

3.4.2. Accordingly, any official public comment made by the Reeve must reflect Council's position, regardless of the Reeve's personal views, except where statements are identified as solely representing his/her Division.

Y

P

3.5. Councillor Expenditure

- 3.5.1. When incurring expenditure on behalf of Council, Councillors are required to act responsibly, as public monies are expected to be used for the public good.
- 3.5.2. Councillors shall avoid situations where an expenditure can be questioned as inappropriate and create adverse comment that might result in undermining the standing of Council in the community.
- 3.5.3. County Policy provides detailed guidelines about the nature of expenditures that Councillors can be reimbursed for. This policy should be adhered to at all times.

O

3.6. Interaction with Staff and the Public

- 3.6.1. Councillors will respect the professional opinions of Mountain View County staff and be mindful that the Chief Administrative Officer is exclusively responsible under the Act for directing those staff.
- 3.6.2. Whilst it is acknowledged that Councillor / Staff interaction can be beneficial, Councillors must not abuse the relationship by attempting to take advantage of their position as a Councillor.
- 3.6.3. It is expected that Councillors will act with integrity when interacting with staff. Requests for information will be directed to the Chief Administrative Officer or in the manner specified by the Chief Administrative Officer. Councillors will at all times refrain from behaviour which may be considered to be bullying of staff.

L

3.6.4. Councillors will treat all people with courtesy and respect:

- a. recognising that there are legitimate differences in opinions;
- b. equally regardless of race, culture, religion, language, gender, disabilities or occupation;
- c. dealing with all persons in good faith and without bias, ensuring equity of access to County services, and
- d. providing an adequate opportunity for persons to state their position.

I

C

3.7. Support for Actions

- 3.7.1. Prior to taking any action, Councillors should ask themselves whether their intended action will ultimately be supported by other Councillors and the Mountain View community. This test is designed to promote objectivity in the mind of a Councillor to best ensure appropriate conduct. Councillors will, if in doubt, consult the Reeve or the Chief Administrative Officer beforehand.

O

10. Statement of Procedures During a General Election Period

10.1. Council Decision Making

10.1.1. It is an established democratic principle that elected bodies should not unnecessarily bind an incoming government during an election period. The Council therefore commits to the principle that it will make every endeavour to avoid making Major Policy Decisions that inappropriately bind the incoming Council during a general election from Nomination Day until the end of the Council term. Major Policy Decisions means decisions:

L

- a. relating to the employment or remuneration of a Chief Administrative Officer, other than a decision to appoint an acting Chief Administrative Officer;
- b. to terminate the appointment of a Chief Administrative Officer;
- c. to enter into a contract where the total value exceeds 1% of the Council's revenue from tax rates in the preceding financial year.

I

10.1.2. If the Council considers that there are extraordinary circumstances where the municipality or the local community would be significantly disadvantaged by the Council not making a particular Major Policy Decision, the Council will, by resolution, state that it is exempting the decision from the application of this policy.

10.1.3. Prior to the nomination day for any election the Chief Administrative Officer will ensure that:

C

- a. Arrangements are in place to avoid significant interruptions to the normal business of council due to the prohibition on making major policy decisions. This may include programming significant tender processes prior to the nomination day.
- b. All staff are aware of the restrictions on major policy decision making during this period through the development and adoption of a procedure outlining changes to normal business practices during the election period.

Y

- c. All items listed for consideration on the council agenda are checked for compliance with the requirements of this section by the Chief Administrative Officer.

P

11. Use of County Resources During a General Election Period

- 11.1. It is an established democratic principle that public resources must not be used in a way that would influence the way people vote in elections, except in regard to supporting the actual election process.
- 11.2. The Council therefore commits to the principle that it will ensure that County resources are not used inappropriately during a Council election. This includes a commitment to comply with the following procedures.

O

11.3. Electoral Material

- 11.3.1. Council will ensure that it does not authorise, print, publish (including on the internet) or distribute an electoral advertisement after nomination day, unless it only contains information about the election process. Any electoral advertisement is to be taken to be intended or likely to affect voting in an election if it contains an express or implicit reference to, or comment on –

L

- a. the election; or
- b. a candidate in the election; or
- c. an issue submitted to, or otherwise before, the voters in connection with the election.

11.4. Other Resources

I

- 11.4.1. The Council will also ensure other County resources are not used inappropriately in ways that may influence voting in an election or provide an undue advantage for a candidate during a general election from Nomination Day until the end of the Council term, the election period.

- 11.4.2. This Policy will outline the behaviour expected of Councillors and staff during the election period, and will also clarify the use of the County's financial, human and material resources during this time.

- 11.4.3. The Chief Administrative Officer will ensure that all members of staff are advised in regard to the application of this policy and its procedures including the following:

C

- a. staff will not, as part of their employment, undertake any activity that may affect voting in the election, except where it only relates to the election process and is authorised by the Chief Administrative Officer; and
- b. staff will not authorise, use or allocate a County resource for any purpose that may influence voting in the election, except where it only relates to the election process and is authorised by the Chief Administrative Officer.

Y

- 11.4.4. Any staff member who considers that a particular use of County resources may influence voting in an election or provide an undue advantage for a candidate should advise their manager before authorising, using or allocating the resource. The manager then will seek advice from the Chief Administrative Officer to

P

ascertain whether the use of Council resources is in accordance with this Code of Conduct.

11.4.5. In applying these principles, the Council understands that the following will be normal practice during election periods:

- a. Public events will only be organised and run by the County staff if they are part of the normal services or operation of the County.
- b. Speeches for Councillors will only be prepared by staff in relation to events that are part of the normal services or operation of the Council and shall not contain any reference to the forthcoming election or election candidates.
- c. Media services and advice, including media releases, will not be provided for Councillors by County staff during the election period.
- d. County publications produced during the election period will not feature photographs or quotes from Councillors.
- e. Neither the County logo nor County stationery will be used by Councillors in any way that relates to the election.
- f. Information on the County web site will be restricted to Councillor photographs and contact details. References to the election on the web site shall only relate to the process of conducting the election.
- g. Councillor expenses are not to be claimed for campaigning purposes. Claims will only be reimbursed if the expenditure is incurred whilst conducting Council related business in accordance with County Policy.

O

L

I

11.4.6. In addition, equipment and facilities provided to Councillors for the purpose of conducting normal Council business will not be used for campaigning purposes.

11.4.7. Where Councillors have County funded services, such as mobile phones, land lines, email accounts and internet connections, and where it is impractical for Councillors to discontinue their use of these during the election, Councillors will reimburse the County for usage of those services during the election period that exceeds normal usage levels.
