

Instructions for filling out the ***Equipment for Hire Registration Form:***
(Other than Dump Trucks)

1. **Personal Information:** Ensure your legal company name is on the form.
2. **Equipment Information:** Ensure you complete all fields as applicable (see below):

Description of Equipment:

Type: Enter the type of equipment you are registering (i.e.: Rubber Tired Loader, Crawler Loader).

Size: List the rated hp, bucket capacity, weight, tank volume, or digging depth as applicable.

Make & Model: Enter the manufacturer of the equipment and model (i.e. John Deere/644G). If your equipment is 4x2 versus 4x4, enter this information here.

Year: Enter the year of the equipment (i.e. 1996).

Vehicle Identification Number: Enter the Vehicle Identification Number of the equipment.

Licensed GVW: Enter the Licensed GVW of the tractor if you are registering this type of equipment.

Equipment Attachments: List all attachments that you own for this equipment (i.e. wing, snow plow).

Attachments: Attach proof of ownership for the unit you are registering and WCB coverage.

Signature/Date: The registered owner of the equipment must sign and date the form and then submit it to Mountain View County for processing.
