

## Growing Your Plan Telephone Survey

Mountain View County will be conducting a telephone survey regarding the ongoing review of the Municipal Development Plan. The survey will be conducted over the first few weeks of June and will include a random selection of County landowners.

The telephone survey is part of *Phase 2: Growing Your Plan* and will continue building on the information gathered from the roundtable sessions in *Phase 1: Cultivating Consensus* and from the mail-out survey to landowners in May.

## Weed Inspection Program

The Village of Cremona and Mountain View County have partnered to offer a Weed Inspection Program.

The role of a weed inspector is to increase public awareness and involvement to help reduce the introduction and spread of weeds.

Inspectors also provide guidance and information to landowners regarding weed concerns, problems, escaped ornamentals and their impacts.

The program aims to foster more of a willingness to prevent and control weeds within the community.

If you would like to report a weed problem or have any questions or concerns, please contact the Weed Inspector at 403-559-7311.
