Make your tax payments easier!

Please be reminded that Mountain View County taxes are due on or before **September 15, 2009**. The County offers four payment options which provide flexibility and choice, making tax payment easier than ever:

1. On-line through your Financial Institution's electronic banking service;
2. Via the phone through your Financial Institution's tele-banking service;
3. Through the mail (Payments must be postmarked September 15, 2009 or earlier);
4. In person at the County Office during regular business hours.

While the application deadline has passed for the 2009 monthly payment program, you can register for the 2010 program anytime up until mid-January 2010. Call the County Office at 403-335-3311; or visit us on-line at www.mountainviewcounty.com for details on all tax payment options.

If you purchased property after the June, 2009 Tax Assessment Notices were mailed or did not receive your notice, please contact the Tax Administrator regarding outstanding property taxes.

Penalties will be applied to tax balances still outstanding after September 15, 2009.

We'll pay you to recycle wire!

Mountain View Regional Waste Management Commission, in conjunction with Mountain View County, will be collecting barbed and strand wire to be recycled:

When- From 9 a.m. to 3 p.m. weekdays
Where- Didsbury Landfill (two miles north of Didsbury, off of Range Road 20 and Twp. Rd. 314)

Be sure to come early- Mountain View County's Agricultural Service Board farmers will pay the recycling costs on the first 50 tonnes of wire delivered by Mountain View County residents.

If you plan to take part, please note:

- Barbed and strand wire must be rolled as tightly as possible.
- Wire must be free of debris (dirt, sod, posts, etc.)
- Once the first 50 tonnes of wire has been delivered, the cost of disposal is 10 cents per kilogram

The 4 R's of Pesticide Recycling

Rinse

Pressure rinse or triple-rinse your pesticide container to remove all remaining chemicals, and pour the residue into your sprayer tank. Improperly rinsed containers will be contaminated and may potentially cause further contamination.

Remove

Completely removing the labels, lids and paper booklet from your pesticide containers saves recycling time and money, as these items interfere with the recycling process. When you bring containers back clean, you make it possible to recycle efficiently and economically.

Return

Return clean, empty containers, with no paper booklets to the County's Pesticide Container Recycling Centre, located on Twp. Rd. 320, next to the Olds- Didsbury Airport, west of the Mountain View County office.

Recycle

Pesticide Boxes, if free of pesticide residue, can be recycled. Boxes with residue can be disposed of at your local Waste Transfer Site.

For more information, contact Jeff Holmes at 403-335-3311

Effective immediately, gravel permits are no longer available at Mountain View County gravel pits.

Gravel permits are now available at the Mountain View County Office, located at the intersection of Highway 2A and the Bergen Road.

For more information on gravel permits, please contact Melissa Daines at 403-335-3311 ext. 191.
