Title: Councillor Attendance at Conferences & Development Sessions

Policy No: 1003

Approval: County Council

Effective Date: January 1, 2006

Mountain View
COUNTY

Supersedes Policy: Section G, County Council (2)

O

Policy Statement: The Council of Mountain View County (the County) encourages and supports the attendance of Councillors at annual conferences, seminars and other special development and training sessions during their term of office.

L

Purpose: To provide Councillors with the opportunity to attend conference and training sessions which support their role as elected officials.

I

Principles:

1. Mountain View County considers it important that County Councillors, during their term in office, develop a knowledge and awareness of issues pertaining to their mandate of effectively representing their electorate.
2. Council recognizes that certain conferences must be available for all Council members to attend, while at some conferences, the County need only be represented by a few Councillors.
3. This policy does not cover meetings and events inside and outside the County boundaries which require Council attendance in carrying out their normal duties as a Councillor or Committee related appointments.
